Thank you for being a UnitedHealthcare Student Resources member.

We're glad you're here.

This is your UnitedHealthcare health plan ID card. It has information about you and your coverage so you'll want to take it with you wherever you go.

Due to the Consolidated Appropriations Act, your ID card now includes all applicable network and out-of-network deductibles and network and out-of-network out-of-pocket maximums for both individuals and family. Any additional benefits your plan may have, such as telehealth services, will no longer be included on your ID card but can still be found in your My Account.

Please be sure all the information on your ID card is correct. Call us using the toll-free member number on your ID card if any information is not correct or you need assistance. You can start using your ID card on your effective date.

To get the most of out of your plan, follow these steps:
